## Notes from Joe

We had a super Christmas Party in early December—I want to especially thank Rosie Campbell and Fiona Tustian for doing such a great job organizing the event, Paul Brand and Kristin Ford for heading up auction organization, and everyone else who helped with food, donations, decorating, clean-up, and the million other tasks it took to put on this fun party. Besides having a great time, we raised a lot of funds for our club.

We are continuing to expand our territory. Even after the addition of Horseshoe Farm, the territory is continuing to expand beyond Bending River and is approaching 25,000 contiguous acres. We have opened up so much new territory that it's hard to keep up with building jumps. After this season, we will be looking to build at least 100 new jumps to service recently opened territory. What a great position to be in!

Our trip down south for joint meets with Aiken Drag, Whiskey Road, Why Worry Hounds, and Belle Meade will take place in mid-January. Contact Rosie if you'd like to join us—we're looking forward to fine weather and even finer hunting!

Keep smiling, because we are going to have fun!

## Welcome...

New members: Rusty Carrier and Erika Keller-Rozell.

## Board of Directors Updates

At the December meeting of the Bull Run Hunt Board of Directors, Walt Holloway and Carole Pivarnik were appointed to fill vacancies on the Board. Karen Trimmer stepped down as Honorary Secretary; Carole has taken on that role.

## Got Your Hunt Directory?

The 2006-2007 BRH Member Directory is now available; Carole has been handing them out at recent meets. If you haven't received yours yet, please track her down at a meet and ask for it, as she usually has them with her. Out of town members will be receiving their directories by mail in the near future.

## 2006 Christmas Party—What Fun!

Our fully renovated Clubhouse was the scene for this year's Christmas Party, which offered delicious food, great camaraderie, live entertainment, and spirited bidding on many fine silent and live auction items. The folks responsible for organizing this event did a super job—thousands of dollars were raised to support our hounds and help build all those jumps we're going to have to put in our ever-expanding territory!

## Reminder from Our Treasurer

Treasurer Adrianna Waddy reports that she has had some requests from members to offset their outstanding dues by applying expenses owed them by the Hunt. This is not possible. In accordance with proper bookkeeping practices, expense reimbursements and dues payments must be conducted as separate transactions, each with their own paper trail in the form of checks or other documented form of payment. Therefore, please do not request that expenses owed to you be applied to offset amounts that you owe to the Hunt.
